

To whom it may concern,

I am writing to request support for our upcoming Fundraising Quiz Night we are co-hosting with St Thomas More College. These fundraising initiatives are crucial to the success of our organisations and we are looking for donations/items to help raise much needed funds.

Half of the funds raised on the evening will go toward Edmund Rice Camps for Kids WA (ERCKWA) a non-profit, community-based charity organisation providing respite programs for WA disadvantaged and 'at risk' children aged 7-16 and their families (families who would not otherwise have such opportunities). This is achieved via a variety of developmentally-focussed recreational and educational programs, including camps. ERCKWA also fosters the ongoing personal development of young adult volunteer leaders who act as friends and mentors to the children in their care. Children attend the programs from all areas of Perth and a wide variety of cultural and religious backgrounds. For those who cannot make it to a Perth-based program there is the 'Eddie on the Road' program which delivers services to regional, rural and remote areas across Western Australia.

The other half will directly support Lidy House and the Arrupe Centre in Cambodia. These centres, which work in conjunction with one another, provide education and care for children who are at risk or who are disabled (often through landmine-related injuries). These children would otherwise not receive an education, and at times may otherwise be sold into begging, or enter the workforce as children.

ERCKWA and St Thomas More College are not only looking forward to you joining us on what is going to be an incredibly fun night for incredible causes but this fundraising event aims to raise vital funds so we may continue to support those in need. We are approaching companies and individuals who have a strong community-based focus that resonates with ERCKWA's own values and mission. **We would be very grateful if you could assist us in helping to raise these funds with either cash donations, items to auction or goods to give away as raffle prizes.**

Please see below next page for **Corporate Sponsorship Packages**.

Your support of the 2021 Fundraising Quiz Night helps to provide valuable services for at risk children both here in Western Australia, and overseas in Cambodia.

I would like to thank you in advance for considering to support, sponsor or donate and I look forward to hearing from you in the near future.

Warm Regards

Nicole Mancini
