BLAZING BRENT

**Edmund Rice Camps WA would like to invite you to Westcourt,
53 Redmond St, Salter Point - Friday 15th December 6:00 pm**

Come celebrate the life of our amazing Brent in the spirit of his favourite festival - Blazing Swan. Gifting, communal efforts, radical self-expression and inclusion are all things that we loved Brent for. Westcourt was like a second home to Brent so please join us to share Brentisms, stories and pay tribute to Brent McIntyre in every way possible. Please feel free to bring along games, camp photos, crazy outfits and everything Brent! Presence, Compassion and Liberation will be among the major themes for the evening.

One of the many ways that Brent made everyone feel extraordinary was to come to Westcourt simply to provide us all with home-baked goods. There will be refreshments provided, but if you would like to bring any food and drink in the spirit of Brent then you are most welcome.

To celebrate Brent's life as an Eddie Ricer, there will be several opportunities for everyone to honour the memory of Brent on Friday.

Please RSVP via the Facebook Event on the ERCWA Facebook Page.
